

TVM and LEED® for HOMES

TVM's products and services can help contribute up to **11** points toward LEED® for Homes certification.

To achieve LEED® Certified status for a 1500sf home, these 11 points amount to **28%** of the required total.

Points can be achieved in the following LEED® categories:

- **Innovation and Design Process** (ID 1.2)
- **Energy and Atmosphere** (EA 2.2, 7.2)
- **Materials and Resources** (MR 2.2)
- **Awareness and Education** (AE 1.0, 2.0)
