

TVM and NAHB® Model Green Homes

TVM's products and services can help contribute up to **75** points toward NAHB® Model Green Home certification.

To achieve NAHB Bronze certification, these 75 points amount to **31%** of the required total.

Points can be achieved in the following NAHB® categories:

- **Resource Efficiency** (2.3.2, 2.8.2)
- **Energy Efficiency** (3.2.1, 3.3.2, 3.3.2)
- **Indoor Environmental Quality** (5.3.3, 5.3.6)
